

## **START SERVICE - 2024**

Video transcript

Getting your account number and starting service has never been easier.

First, sign-in or register. It only takes a moment.

Get your address and basic information together.

The kind of stuff you probably already know.

Then, just answer a few quick questions and you can see your progress as you go.

Now, get your account number and go about your day.

It's just as simple to stop and transfer service too.

Click the button at the end of this video to get started.
