

# Get essential safety tools all in one place: the free NW Natural safety app

Save your own list of emergency numbers!

Tap to report a rotten-egg odor and call 811 before you dig.

**SAFETY BONUS!** While you're on the app, enter for a chance to win an emergency kit that can keep you running when the power goes out. Turn over for more.

# Another way to stay safe: Enter for a chance to win a NW Natural emergency- preparedness kit

Fifty lucky winners will get a kit filled with pop-up LED lanterns, a power bank, emergency radio, batteries to use in your natural gas fireplace battery back-up and kit devices, wand lighter, and emergency blanket. All contained in one handy NW Natural sling-bag, **ready to use in case of an emergency!**
